- you certify that the photo was taken in the Kamaniskeg Lake and Madawaska River area
- photos will be judged by the KAPOA Board of Directors

Forestry - Overview

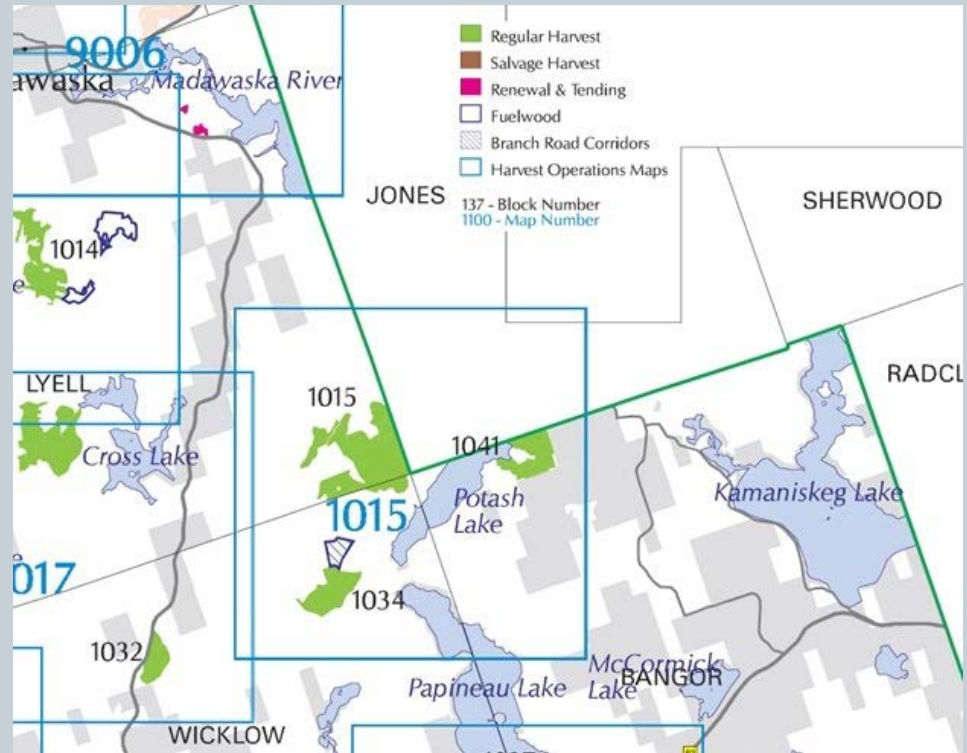

- Crown land forests are responsibility of Ontario Ministry of Natural Resources (MNR)
- KAPOA worked with MNR in 2010 providing feedback on the plans for 2011-2021
- Forest Management Units
 - Bancroft-Minden
 - Ottawa-Valley
- KAPOA reviews the Annual Work Schedule each year to preview operations including harvesting, replanting, tending, road building

Forestry – Bancroft-Minden – 2012-2013

- **Bark Lake Area**
 - Area 1015 west of Harris Bay will see a mix of Selection and Shelterwood cutting.
 - Area 1041 on the east side of Harris Bay will see a mix of Selection and Clearcut operations.

Forestry – Ottawa-Valley – 2012-2013

- Harvest operations occurring north of Hwy 60 between Carson Lake and Spectacle Lake.
- Some areas off Rockingham Rd. north of Diamond Lake are scheduled to be harvested (pale green) and areas west of Diamond Lake will see renewal and maintenance.

Forestry – Ottawa-Valley – 2012-2013

- Road construction of 4.1 km from Hwy 62 just north of Parcher Ponds away from Kamaniskeg towards Gun Lake
- Overlaps with the E109 snowmobile trail and Thomas P Murray Recreational Trails Red Pine Trail and Tom's Lookout.
